

# Brush Site Hours for Memorial Day Weekend

The hours of operation for the City of Chetek brush site during the Memorial Day Weekend will be:

**10 a.m. until 4 p.m.**

**Saturday, Sunday and Monday**

Residents of the Towns of Prairie Lake and Chetek are reminded that the brush site is for tree limbs, tree logs and stumpage. ***No building materials or metal of any kind can be accepted.*** Call your waste hauler or contract with another private service to remove those items to a landfill or waste dumpsite. The Barron County Incinerator will be open for acceptance of debris at no charge other than tree matter during the entire weekend.

The Towns of Prairie Lake and Chetek will conclude the clean-up of town road right-of-ways (ROWS) prior to Memorial Day weekend. The Towns do not anticipate additional clean-up along the ROWs. Residents may continue to bring tree material to the Chetek Brush Site or you may contract with a tree service for removal.

If you have questions, please contact your Town of Prairie Lake or Town of Chetek town hall. Call 715-642-0529, 715-859-6708 or 715-642-0900.
